8. Further, Ministry of Finance has been issuing, from time to time, guidelines on "Austerity Measures" to be observed by all the Ministries/Departments, with a view to contain expenditure and augment resources for priority areas. These economy measures include avoiding ostentatious and unnecessary expenditure and to effect utmost economy in operating expenses. Towards this objective, the partner Training Institutes are also requested to be as frugal as possible. It should also be ensured that the cost of the training programme does not exceed the approved budget estimate/cost ceiling fixed by the DST.

Yours faithfully,

(Preeti Kaur)
