2. Request for sanction of initial payment in respect of any training programme must be submitted at least one month before the commencement of the programme. The following documents are required to be submitted within one month from the date of completion of the training programme to process the final payment (Originals of all documents to be maintained by the institute):

- i. Utilisation Certificate in original (2 sets)
- ii. Audited Statement of Expenditure in original (2 sets)
- iii. Time table giving details of the sessions and resource persons
- iv. List of participants, their designation, contact details with name and address of nominating institutions
- v. Biodata & Nomination forms of participants (in prescribed format)
- vi. Feedback (in prescribed format) of the participants
- vii. A copy of training brochure
- viii. List of faculties/resource persons, their core competencies and their contact details
- ix. Group Photograph
- x. Course Director's report (countersigned by Head of the Institute)

[Note: Scanned copies of all the original documents to be sent only All documents are mandatory and in prescribed DST format only, failure to comply may result in withholding of payment]

3. You are required to strictly follow the guidelines of this Department for organizing Training Programmes sponsored by DST, particularly regarding periodicity of training, age limits of participants, minimum /maximum No. of participants, restrictions on participation from a particular institution/organization, restrictions on local participation etc. However, it may be noted that the maximum number of participants in a training programme has been fixed at 25. However, institutes at their discretion may opt for higher number of participants but payment will be restricted to 25 participants only. It should be ensured that the final claim for a particular programme is invariably submitted with all the documents as mentioned at para (2) above.

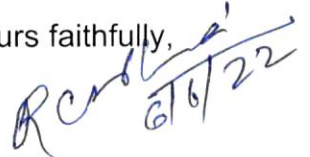

4. The training programme module / session plan & time-table has to be prepared in consultation of experts and it shall be got validated by DST. Efforts should be made to improve / update the course module based on the feedback received from last training programme.

5. It may be ensured that the programmes allotted to your institute are organized as per schedule. All necessary actions may be initiated well in advance so that the programme is held successfully with full participation and in a well-structured manner.

6. Nodal officers are advised to remain in constant touch with DST.

7. Further, Ministry of Finance has been issuing, from time to time, guidelines on "Austerity Measures" to be observed by all the Ministries/ Departments, with a view to contain expenditure and augment resources for priority areas. These economy measures include avoiding ostentatious and unnecessary expenditure and to effect utmost economy in operating expenses. Towards this objective, the partner Training Institutes are requested to be as frugal as possible. It should also be ensured that the cost of the training programme(s) does not exceed the approved budget estimate/cost ceiling fixed by the DST.

Yours faithfully,

Handwritten signature in blue ink, appearing to be 'RC' followed by a flourish, with the date '6/6/22' written below it.
